

Refund Policy for the 2021/2022 Season:

Due to the fluidity of the Coronavirus Pandemic, and in conjunction with the ArchDioceses of Oakland, the SFA CYO Board is willing to give refunds for the season in the event there is a cancelation of the season at any point due to the Coronavirus and our inability to ensure the safety of our players, coaches and their families.

The following is a schedule of timing and refunds that MAY be available upon request:

If the season is cancelled prior to tryouts 100% refund may be made available, upon request

If the season is cancelled prior to the first game 50% refund may be available, upon request

If the season is cancelled prior to your first five scheduled games 25% refund may be made available, upon request

If the season is cancelled once you have played all 10 games, but the playoffs are canceled, there will not be a refund given.

Please note the following:

- At no other point will refunds be granted
- Refunds will only be given upon request and will not be automatic.
- Cancelation of the season due to Covid will be made by the East Diablo League, in conjunction with the Archdioceses of Oakland and will not be made solely by the SFA CYO Board. All efforts will be made to maintain a season.
- Cancelation of games by coaches due to any reason, without board approval, will not be covered or considered for refund.
- A breakdown of costs can be made available upon request. Please understand that a majority of our costs are gym rental times and TeamSnap. Once we have started the season, getting refunds from either organization may be difficult. With that in mind, we need to pay our bills even if the season is canceled.

All refunds must be made within three weeks after the season is canceled. In order to receive a refund, you must fill out the following form:
